

The logo for IVENS, featuring the word "IVENS" in white, bold, uppercase letters inside a red, rounded rectangular shape with a slight arch at the top.

## **Ivens electrifies the future with 100% Green Power!**

In a groundbreaking move towards sustainability and a cleaner tomorrow, **IVENS Group** is thrilled to announce a remarkable transformation! We are proud to declare that we've officially switched to 100% green electricity at our production facilities, taking a giant leap towards a greener and more environmentally responsible future.

🌍 **The Power of Change:** By making this momentous shift to renewable energy sources, **IVENS Group** is taking its commitment to the environment to the next level. Our entire production facility will now be powered by clean, sustainable energy, significantly reducing our carbon footprint and contributing to a healthier planet for generations to come.

💡 **Lighting the Path:** This transformation demonstrates our dedication to creating a brighter and greener world. We're not just leading by example; we're illuminating the way forward for businesses everywhere to embrace renewable energy and take decisive action in the fight against climate change.

Stay tuned for more exciting updates as we continue to make strides in sustainability, innovation and environmental responsibility as we work diligently to fulfill our commitment to 100% green electricity. Together we can create a world that is powered by clean, renewable energy and we invite all stakeholders to join us on this important journey.
